Summary

Platform / DevOps engineer with 4 years of experience designing and operating Kubernetes platforms on AWS. I automate everything with Terraform and CI/CD, and I care about reliability, cost and developer experience.

Skills

Containers & orchestration: Docker, Kubernetes, Helm, Argo CD
Cloud: AWS (EKS, EC2, VPC, RDS, S3, IAM, Route 53, CloudFront)
Infrastructure as code: Terraform, Terragrunt
CI/CD: GitHub Actions, GitLab CI, Jenkins
Observability: Prometheus, Grafana, Loki, OpenTelemetry
Systems & languages: Linux, Bash, Python, Go (basic)

Experience

Senior DevOps Engineer — Raavi Cloud Labs (fictional), Lahore · Mar 2023 – Present

- Designed a multi-account AWS landing zone with Terraform (VPC, EKS, RDS, IAM) used by 6 product teams.
- Run 3 production EKS clusters (120+ services) with Helm and Argo CD GitOps; 99.95% uptime over 18 months.
- Built reusable GitHub Actions workflows: tests, container scanning, signed images and progressive delivery.
- Reduced AWS spend by 28% with right-sizing, spot node groups and autoscaling policies.

DevOps Engineer — Indus Fintech (fictional), Lahore · Jul 2021 – Feb 2023

- Containerised a monolith into 18 Docker services and moved them to Kubernetes.
- Introduced Terraform for all infrastructure; removed manual console changes.
- Created Prometheus alerting and on-call runbooks; mean time to recovery fell from 2 hours to 25 minutes.
- Hardened Linux hosts (CIS benchmarks) and automated patching with Ansible.

Intern, Infrastructure — Saffron Systems (fictional) · Jun 2020 – Aug 2020

- Wrote Bash and Python scripts for log rotation and backups.

Projects

- **kube-cost-report** — open-source CLI (Python) that summarises Kubernetes namespace costs from AWS billing data.
- **Terraform EKS blueprint** — internal module with network policies, IRSA and cluster autoscaler.

Education

BS Computer Science — FAST NUCES Lahore (2017 – 2021)

Certifications

- Certified Kubernetes Administrator (CKA)
- AWS Certified DevOps Engineer – Professional
- HashiCorp Certified: Terraform Associate
